

RATIO

A functional swivel chair for dynamic workstations.
Ergonomically molded injection foam ensures air circulation
and back support for extended periods.

Ratio line was accorded GS Certificate of Approval
by LGA Testing and Certification Body
for Product Safety.

Schukra® mechanism - two dimensional adjustable lumbar support
provides optimum lumbar support thanks to the adjustable profiled low part of the backrest.

**IMARC 843-61
SYNCHRO mechanism**

1 Regulation of the tilt tension
allows setting the tilt strength according to the user's body weight

2 Locking the chair in several positions
enables well adjustment of the sitting position to the user's needs and preferences

3 Anti-shock mechanism
prevents the backrest from hitting the user's back after releasing the handle

4 Dynamic sitting
enables free floating movements while sitting, having a positive impact on the user's health

5 Adjustable seat depth (seat slider)
enables adjusting the seat position according to the user's height

6 Adjustable backrest height (up & down mechanism)
allows precise adjustment of the lumbar support height with no necessity for standing up

7 High quality fabrics
extremely resistant to abrasion and peeling, all having European flammability certificates

8 3-level adjustable armrests
- moving them up and down or to the sides allows setting their height according to your needs

9 Pneumatic regulation of the seat's height
enables adjusting the seat to the user's height with just one movement of a hand

10 Broad, aluminium, polished starbase
ensures high quality finishing and exceptional stability of the chair

11 Self-braking castors
Thanks to an automatic lock the chair is not likely to "move away" while standing up

12 Castors for hard and soft surfaces to choose from
with no additional surcharge
